Only complete applications will be evaluated. The admission committee meets in November for the DAAD scholarship applications. You will be informed if you are short-listed for a scholarship by E-mail in December 2018. The admission committee will decide on the self-financing applications in March/April 2019. You will see the result in your C@MPUS-account by the end of April 2019. Student Visa Student Visa Student Visa • Start immediately with the visa application for a student visa upon receipt of the result. You must calculate at least 12 weeks to receive the student visa. • You MUST NOT enter Germany with a Tourist Visa! This would mean to return to your home country to apply for a student visa. • A limited quota of rooms for single students are available in student dormitories on campus, a separate application (DOI) form will be mailed in May 2019 and you will have to register in an online-system of the Studierendenwerk Stuttgart. You will receive detailed information with your admission confirmation from the MIP office by E-mail. • The rooms in the MIP quota will be assigned based on the "first come first serve" principle according to the date and time the MIP office receives the filled in DOI from the candidates together with their individual code from the registration in the online system of the Studierendenwerk. • NO family apartments are available in the student dormitories. Family apartments are only available on the private market, rents are high in Stuttgart. Students with family should plan to come on their own to Stuttgart at least for the duration of the first semester, as dependent visa are difficult to acquire and take several months of processing-time in Germany. Free of cost welcoming service is offered by the department of international affairs, information will be available after admission.
