| Degree | Master of Science (M.Sc.) |
| Program Structure | Full-time master’s program of four semesters,  
|                   | Semester 1 to 3: lectures (mandatory and elective modules) and  
|                   | Integrated Case Study (in semester 3)  
|                   | Semester 4: Master’s Thesis |
| Program Start and Duration | Lectures start in the middle of October 2018 and the program ends in September 2020  
|                           | A mandatory German course for all students starts in the beginning of September 2018 |
| Class Size | Up to 35 students per course |
| Languages | Teaching language is English, mandatory German classes |
| Admission Requirements | Proof of Bachelor’s Degree (three years) or equivalent in Civil Engineering, Architecture, Urban Planning, Regional Planning, Geodesy or related fields; final grade should be “good” or better  
|                   | Proof of English language proficiency (TOEFL 550/213/79 points, IELTS Band 6)  
|                   | **ADDITIONAL** admission requirement for applicants who want to apply for admission to the program and for a DAAD-scholarship: at least 2 years of professional experience to be completed prior to the starting date of the MIP-session they apply for |
| **Application Documents** | • Certificates, transcripts and university degree certificates in other languages have to be officially translated into English  
• Please add German language certificates, if you did take German classes before  
• If you want to apply for a DAAD-scholarship, you must fill in the DAAD-application form (download from [www.daad.de](http://www.daad.de)) and upload it together with the documents requested by the DAAD therein with your online application |
| **Application Procedure** | • The application has to be filed online in the application system “C@MPUS” of the University of Stuttgart. |
| **Application Deadlines** | | **Application for admission and for DAAD-scholarship:**  
  • **Update: Apply online in “C@MPUS” between September 1st and September 30th, 2017.**  
  **Application period for self-financing students:**  
  • Apply online in “C@MPUS” until February 15th, 2018. |
| **Cost** | • Minimum budget for four semesters: approx. 27,000 EUR, including cost of living (incl. room, health insurance, etc.), semester fee, educational expenditures. You can find a detailed overview on the calculated costs here.  
• This is the minimum budget for a SINGLE person and does not include travel costs from and to the home country.  
• **IMPORTANT:** The State of Baden-Wuerttemberg recently introduced a tuition fee of 1500 EUR per semester for international students. This fee is included in the cost calculation. |
| **Scholarships** | • Only a limited number of DAAD-scholarships is available, for application you MUST add the DAAD-application form (see section “Application Documents” above) and the documents requested therein.  
• For a list of possibilities to search for financial assistance see the download section. Please make use of programs in your home country and try international organizations like the World Bank or the Asian Development Bank. |
| **Admission Procedure** | • Only complete applications will be evaluated.  
• The admission committee meets in November for the DAAD scholarship applications. You will see the result in your C@MPUS-account in January 2018.  
• The admission committee will decide on the self-financing applications in March/April 2018. You will see the result in your C@MPUS-account by the end of April 2018. |
| **Student Visa** | • **Start immediately** with the visa application for a student visa upon receipt of the result. You must calculate at least 12 weeks to receive the student visa.  
• **You MUST NOT enter Germany with a Tourist Visa**! This will result in a mandatory return to your home country in order to apply for a student visa. |
| **Accomodation** | • A limited quota of rooms for single students are available in student dormitories on campus, a separate application (DOI) form will be mailed in May 2018 and you will have to register in an online-system of the Studierendenwerk Stuttgart. You will receive detailed information with your admission confirmation from the MIP office by E-mail.  
• The rooms in the MIP quota will be assigned based on the “first come first serve” principle according to the date and time the MIP office receives the filled in DOI from the candidates together with their individual code from the registration in the online system of the Studierendenwerk.  
• **NO family apartments are available in the student dormitories.** Students with family should plan to come on their own to Stuttgart for the first semester. Family apartments are only available on the private market, rents are high in Stuttgart. |
| **Welcoming Service** | Free of cost welcoming service is offered by the department of international affairs, information will be available after admission. |
